

AT  CP

The Association of Trauma and  
Orthopaedic Chartered Physiotherapists  
(ATOCP)

STRATEGY  
**2022-2026**

Executive Committee

# Mission Statement

'To be recognised as a world class network, facilitating evidence based excellent patient care, in trauma and orthopaedic physiotherapy'

## OBJECTIVE 1 National Executive Committee

**To maintain a national leadership presence, providing advocacy and influence on behalf of the trauma and orthopaedic physiotherapy committee.**

- Establish National sub committees to ensure delivery of objectives
- To recruit sub committee Chairs to support the running of each sub committee

## OBJECTIVE 2 Regional Networks

**To maintain local networks to support frontline staff across the UK, ensuring a local platform for ATOCP members to engage with, to inform national perspective**

- Continue to inform the national agenda via regional networks
- Continue to support local members to access opportunities through the ATOCP and other stakeholders

## OBJECTIVE 3 Education

**To continue to provide high quality educational opportunities, supporting the development of trauma and orthopaedic clinicians.**

- To sponsor education activities
- To continue to disseminate regional education opportunities.
- Continue to provide a national conference and evening lectures.

**OBJECTIVE 4**  
Research and Quality

To continue to support, develop, use and share best evidence to support trauma and orthopaedic clinicians to engage in evidence-based practice.

- To sponsor research and quality activities for members.
- Continue to influence the trauma and orthopaedic research agenda.
- Establish a network of trauma and orthopaedic physiotherapy researchers

**OBJECTIVE 5**  
Communication

To ensure members are communicated with and given opportunities to share in the strategy of the ATOCP and inform national programmes of work.

- Provide 3 x yearly newsletters.
- To ensure weekly social media and email communications with members.

**OBJECTIVE 6**  
Stakeholders

Continue to ensure the ATOCP is at the centre of valuable partnerships with external stakeholders, including the CSP, in order to advocate and inform on behalf of the trauma and orthopaedic physiotherapy community.

- To engage with stakeholders as opportunities arise
- To establish working parties to respond to the needs of the trauma and orthopaedic physiotherapy community

This is an Association of Trauma and Orthopaedic Chartered Physiotherapists (ATOCP) document. ATOCP members are members of the Chartered Society of Physiotherapy (CSP).

**The ATOCP is the recognised CSP professional network for Trauma and Orthopaedics**
